

COMMENTS ON MEETING WITH:

*did not attend.*

24 February 1966

- I. [redacted] reported that there was difficulty in getting 4 Drawer Safes. He has a requisition, for instance, pending for over 2 months. STAT
- [redacted] indicated same difficulty. STAT
- II. [redacted] reported that "the" DDP has advised all personnel that there must be an adequate justification for safes before they can be obtained. STAT
- III. [redacted] reported that the so called "hill side" safe has probably been condemned. This is a 2 drawer safe used with the analyst desk. STAT
- IV. It was also reported [redacted] that the Office of Logistics does not store Safes at the Headquarters Building for general use. STAT

It was agreed by everyone in the meeting that a determination should be made on the Office of Record. It was suggested by [redacted] that a questionnaire be sent to all Records Officers to obtain information for arriving at the Office of Record. This would include intelligence publications and administrative records. STAT

In addition to the above, [redacted] also attended this meeting. STAT

[redacted] did not attend. STAT
